

When is the programme on?

This programme is run weekly each term, for **14 weeks**.

Please contact us to register or for more information. (See over for contact details.)

.....

At Family Works Northern it is our vision that Aotearoa New Zealand becomes the best place in the world to raise children/tamariki in flourishing families/whanau.

We believe that every child/tamariki and family/whanau deserves a decent chance; that every family/whanau has strengths but now and again needs help; that every family/whanau will flourish when helped to build upon their strengths; and that New Zealand will be better off when children/tamariki are raised in flourishing families/whanau.

INCREDIBLE YEARS.
