

10 In your opinion are the following measures likely to promote and/or protect the welfare and best interest of the Subject Person:

a i Appointment of a Welfare Guardian in relation to any aspects of the Subject Person's personal care and welfare? Yes/No

ii If so, in relation to which aspects? [Placeholder text]

b i Appointment of a Property Manager in respect of any property owned by the Subject Person? Yes/No

ii If so, in respect of what property? [Placeholder text]

11 Given that a primary object of the Court is to make the least restrictive intervention possible in the management of his/her affairs, is there any limitation you would suggest in the nature of the order to be made (e.g. with regard to the type of person appointed, frequency or nature of contact with Subject Person, property affected, duration of order or anything else)?
